

**MEDICARE  
Electronic Data Interchange**

**EDI TRAINING APPLICATION – PC-ACE PRO32™ MEDICARE ONLY**

PC-ACE Pro32™ Onsite training consist of up to a 4 hour session on the use of the software. The objective is to ensure you understand how to successfully prepare and retrieve claims information, and set-up associated databases using the software. We do not provide billing guideline training. You will be contacted within 5 business days of receipt of your request to set up a date for your training session. **Cancellation policy:** Fee is non-refundable if written cancellation is not received within 15 business days prior to training date. Pricing is based on *the location training is provided at*. Refer to price listing below.
