General Medicare Bulletin G-359

TO: All Medicare Providers

FROM: Medicare Program Relations

SUBJECT: **OUTPATIENT FEE SCHEDULES EFFECTIVE FOR CLINICAL LABORATORY, ORTHOTICS/
PROSTHETICS, SURGICAL DRESSINGS, RADIOLOGY, AND OTHER DIAGNOSTIC SERVICES
RENDERED ON AND AFTER JANUARY 1, 1999**

ATTENTION MEDICARE BUSINESS OFFICE: Please distribute to all appropriate health care facility personnel.

The Medicare Part A outpatient fee schedules for clinical laboratory, orthotics/prosthetics, surgical dressings, radiology, and other diagnostic services are provided via this bulletin. The fee schedule reimbursement amounts are effective for services rendered on and after January 1, 1999. However, the Health Care Financing Administration (HCFA) extends a 90-day grace period where either 1998 or 1999 HCPCS codes will be accepted. Therefore, effective January 1, 1999 through March 31, 1999, providers may use either the 1998 and/or 1999 HCPCS codes. **Effective April 1, 1999, only the 1999 HCPCS codes will be accepted by Medicare.**

How to order CPT Level I and/or HCPCS Level II

Because of the many changes to the HCPCS coding structure, we strongly encourage providers to purchase the 1999 CPT Level I book and/or the 1999 HCPCS Level II coding book.

Various binder versions of the 1999 CPT Level I book and/or the 1999 HCPCS Level II coding book are available from either St. Anthony's or the American Medical Association (AMA). For further information, contact:

- St. Anthony's at: 1 (800) 632-0123 or

- AMA pre-paid orders to: American Medical Association
P.O. Box 109050
Chicago, IL 60610-0946

- AMA credit card orders: 1 (800) 621-8335

LOCALITY STRUCTURE

HCFA announced its intention to reduce the number of localities nationally in 1997. This decision means that the State of Florida is now divided into three geographic localities. **Therefore, localities 01 and 02 are merged and are priced at the same fee schedule rate.** For this reason, the Locality 01 fee schedule reimbursement information for both Radiology and Other Diagnostics is not repeated for Locality 02.

NOTE: Although the attached fee schedule listings do not reflect reimbursement in Locality 02, the Direct Data Entry (DDE) system will reflect all four (4) localities; however, localities 01 and 02 are the same fee schedule rate(s).

FEE SCHEDULE LISTINGS

HCFA, in conjunction with the Medicare Part B carrier, developed the attached fee schedule amounts. ***HCPCS for radiology (70010-79999) and other diagnostic service (90000-99199) are reimbursed by provide locality in the State of Florida.*** Unlike radiology and other diagnostic services, clinical laboratory, surgical dressings and orthotics/prosthetics ***are not reimbursed by fee schedule locality.*** These services are reimbursed based on the standard fee schedule for the State of Florida. In other words, all providers are reimbursed at the same fee schedule allowances for these services, regardless of geographic location.

Attachments A through E provide fee schedule information, including three Florida localities and keys to comprehending the fee schedule(s) for:
