## 2000 OUTPATIENT FEE SCHEDULE FOR CLINICAL LABORATORY SERVICES

Special Issue

The Medicare Part A outpatient fee schedule for clinical laboratory services was published in the December 1999 Special Issue *Medicare A Bulletin*. However, some procedures were missing from the fee schedule list. This special issue contains a complete fee schedule for clinical laboratory services.

The fee schedule reimbursement amounts are effective for services rendered on and after January 1, 2000. However, the Health Care Financing Administration (HCFA) extends a 90-day grace period where either 1999 or 2000 HCPCS codes are accepted. Therefore, effective January 1, 2000 through March 31, 2000, providers may use either the 1999 and/or 2000 CPT/HCPCS codes.

**Effective April 1, 2000, only the 2000 HCPCS codes will be accepted by Medicare.**

### Fee Schedule Listing

HCFA, in conjunction with the Medicare Part B carriers, developed the attached fee schedule amounts. Clinical laboratory services are reimbursed based on the standard fee schedule for the State of Florida. In other words, all providers are reimbursed at the same fee schedule allowances for these services, regardless of geographic location.

Questions regarding these fees may be addressed to Medicare Part A Customer Service by calling (904) 355-8899.

The *2000 Outpatient Services Fee Schedule* is published annually by the Medicare Publications Department to provide timely and useful information to Medicare Part A providers in Florida. Questions concerning this publication may be directed in writing to:
