**Revision to the 2006 Ambulance Fee Schedule**

The ambulance fee schedule rates for 2006 were published in the January 2006 *Medicare A Bulletin* Special Issue (page 50). Since then, the Centers for Medicare & Medicaid Services (CMS) has released a revised ambulance fee schedule (AFS) file for calendar year 2006. The Medicare claim-processing systems have been updated with the 2006 revised AFS file. Ambulance claims processed on or after February 3, 2006, for dates of service on or after January 1, 2006 have been processed based on the revised FS file.

The following fee schedule rates are effective for services provided **on or after January 1, 2006**.

The AFS rates for 2006 for Florida based on localities are provided below. Part B coinsurance and deductible requirements apply to these services.
